A Proud and Vibrant Program

EMAAN, the Educational Muslim Achievement Awards Night program, is an initiative of the Muslim Association of Canada (MAC), a religious, educational, charitable and non-profit organization. EMAAN is a new program with the intent to recognize the achievement of Muslim students in Ottawa and to promote education - a fundamental principle of Islam. We aim to establish ten \$1000 scholarships for high school students to pursue their post-secondary education. These funds also are utilized to acquire Trophies, Awards, and grant Scholarships to qualifying students.

EMAAN is a highly successful program that was started in 2002 in Edmonton, and this year will be the second year in Ottawa. Please see <http://emaan.ca> for further details.

Our Mission

To encourage youth in our community to seek knowledge by furthering their education and to contribute positively to society.

Our Vision

Islam has taught us that wisdom is the lost property of the lost believer, wherever he/she finds it, he/she is more deserving of it. We are urged to excel in all aspects of our life, and we have to remember that Islamic values will only be carried out effectively by successful Muslim scholars, teachers, scientists, engineers, entrepreneurs, physicians, etc.

2016 Target Students

We are targeting muslim high school students, grades 9-12 from any school in Ottawa, not only Islamic schools.

Benefits to Donorss

Benefactors of EMAAN are donors, who through their generosity and ongoing commitment provide the resources necessary to prepare young students for their future careers inshAllah across Ottawa and across Canada in the future. All donations are tax deductible.
